

2019 04-02 ER Section Meeting

I. Management Corner

Lynn Keller: Please work on AMs for planned projects. Submit Yutu hot wash suggestions.

Pete Guria: Working on realignment transition activities, PARS. PPL+ work code requests go to Anabel Yo-Eco. START 5 solicitation expected out this week; START 5 TEP on schedule and likely to be in Oakland.

Dan Meer: OLEM Re-organization. R9 realignment formally 4/14, effectively now. Desire to exercise EOC staffing for info gathering during large fire/air release events for reporting up/out.

II. Contracts Corner

Barbara Lee: present, nothing discussed.

Ramon Albizu: present, busy processing START contract items.

III. Individual Report Outs

OSCs should verify schedule, report anything for the weekly, and share other announcements. OSCs may request assistance and offer assistance to colleagues. OSCs should present TO and TDD projections at EVERY section meeting. Please capture TO/TDD projection info in the notes so we can have a sense of needs to identify AoA, Removal Support money and fund TOs appropriately.

Verify Outlook Staff Schedule accurate. Brief 1 or 2 sentences for the weekly, other announcements. Availability/Need support. TO/TDD projections, additional funding needs.

Ramon Albizu: Yutu deployment later this week.

Harry Allen: not present, A/L.

Patricia Bowlin: not present, maternity leave.

Steve Calanog: IMAT coordination activities.

Ben Castellana: not present; NV DEP 8-hr Refresher. Slauson Tanker site coordination with PRP landowner. SFD 101 in SF next week.

Tom Dunkelman: Phone Duty. NV DEP 8-hr Refresher.

Tara Fitzgerald: not present, SCAT training.

Jeremy Johnstone: Attending Dynamic Plating GeoProbe activities next week.

Bret Moxley: Meeting with CA DPH lead program. Planning to attend RRT meeting. Factory Street Lead in Honolulu; developing an AM with OSC Pease. DTSC A. Palmer reported 8-10 milk runs out of 600 CalRecycle Phase II wildfires debris removals – quality work!

Jason Musante: Outlook Staff Schedule accurate. Assisting OSC Castellana with Slauson Tanker. Workgroup activities, SeaGrant Workshop in Santa Barbara 4/5 to discuss Refugio response. No TDD/TO needs at present.

Chris Myers: not present; NV DEP 8-hr Refresher. SFD 101 in SF next week.

Amanda Pease: Navajo projects, assisting OSC Moxley with Factory St Lead AM development.

Chris Reiner: not present, deployed to Yutu.

Michele Rogow: not present, A/L.

Olivia Trombadore: Looking for contracts experience for COR.

Robert Wise: Response Duty Star Mercury oversight. Response Duty Fri-Sun(?).

IV. Health and Safety Corner

R. Wise: R9 H&S chapters on R9 OSC website and all have access. Fit tests planned for week of 5/20. Fall training in Nov, checking on availability of travel and Del Valle facility.

V. Equipment Corner

P. Guria: SF warehouse was broken into last weekend. Only A/V equipment was taken.

VI. Planning Section

Lance Richman: RRT in PHX 4/9-10. FEMA Readiness Briefing on 4/10. National Response Framework being revised, new ESF (15/16?) related to private sector engagement(?). EPA given 60 notice of intent to sue over dispersant use. USN marine salvage report available.
